BACOBAN® NEBULIZER IN NEW DESIGN

The **Bacoban® Nebulizer** has been upgraded and has been given a complete new modern design.

EASY TO USE

- Place the nebuliser, which weighs only 5.0 kg, into the room to be treated
- Simply screw Bacoban DL 3% in the 1000 ml bottle into the attachment
- Determine the volume of the room to be treated (L x W x H)
- Set the determined volume with the selection switch
- Press the on / off switch
- Leave the room
- Device switches off automatically
