Sunbond, our new CCM representation in China

Sunbond International Material Technology Co., Ltd. and CCM GmbH have agreed an exclusive co-operation. Sunbond wants to offer all CCM products in China.

New brand name for the Car Coating Line

CCM Car Coatings has been re branded as "Q²" which refers to "Quantum Quartz Ultra-Coating Solutions". We decided that the term "ceramic coatings" is over used in the car coatings market. We wish to differentiate our high quality coatings from the many low quality coatings which have now entered the market

our high quality coatings from the many low quality coatings which have now entered the market.

As leaders in this market sector we recognise the need to constantly upgrade the portfolio of technologies which we provide.
