Product(s) ALGT PLUS Textile/Paper Coating, Art.No. 7685/7689

Basis

- Detailed documentation concerning the production of the above named product(s)
- Carrying out of supplementary tests in our laboratories (test report 16.0.78504)
- Manufacturer's declaration of conformity in accordance with DIN EN ISO 17050-1

Suitability The above captioned product/product group can be used for the production of human-ecological optimized textiles of the Oeko-Tex® Standard 100, product classes I - IV. Depending on the application of the product(s) by the textile producer respectively textile finisher a control on the following human-ecological parameter(s) is needed of the corresponding treated textiles: pH value, colour fastness

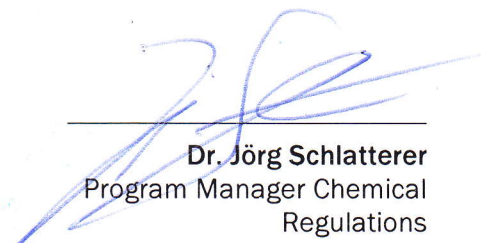

The results of the tests on the certified products or on textiles, which have been treated with these products, demonstrate no detrimental effects to the human-ecological properties of the textiles treated in this way, provided that the products are used in accordance with manufacturer's instructions. The test methods and requirements of the Oeko-Tex® Standard 100 were used for the assessment.
