

Pedexan® - Shoe Disinfection with Longterm anti pathogen effect

Pedexan® – kills bacteria, viruses and fungi within minutes

- creates an environment in which micro-organisms are unable to survive
- provides highly durable and long lasting protection
- effectively combats odors
- helps to prevent foot infections
- is bio-compatible

125 ml
pump spray bottle
odor: "Alaska"

Simple to apply

- Spray into the shoe. Apply in a well ventilated area.
- Initial application: 5-10 pump actions from the spray bottle.
- We recommend three applications per week.
- With regular application a "cumulative" anti-microbial effect is created. This effect can last for several weeks

Pedexan® - Shoe Disinfection Dispenser with spray lance

- For fixed, large scale application or mobile use
- Ideal for the hygienic treatment of footwear e.g. ski boot rental, bowling alleys, hospitals, poultry plants, gyms, orthopaedic technology centres, airports etc.

1 litre refill bottle
