Dashboard:
- Metal and Plastics: 7656/7660

Electric Cars

Car Glass:
- Glass and Ceramic Coating 7601

Solar Panels:
- Glass and Ceramic Coating 7601

If it is raining, a lot of energy will be used by the windscreen wiper motor. By using the 7601 coating you can significantly reduce the use of the windscreen wipers and therefore save energy and gain many miles of ADR „additional driving range“.
